## PROFILE

Adventurous and detail-oriented Front-end developer with a background in art teaching and passionate about technology.

Skilled in developing responsive and user-friendly web applications to enhance user experiences.

Strong ability to adapt and natural creativity, excels in taking on new challenges, as demonstrated by diverse work experiences, such as household help, office assistant, and art teacher.

## WEB DEVELOPMENT PROJECTS

### My Movie Box | Personal Project

CareerFoundry | Dec. 2022 - Feb. 2023

- Full-stack application built on the MERN stack, with server-side and client-side components developed from scratch.
- Designed and implemented two responsive single-page apps: one using React (MVC design pattern) and the other using Angular with Angular Material.
- Offers users a database with information about movies, allowing them to create an account, manage personal information, and have a list of favorite movies.

[Angular Demo](#) [Angular Repo](#)

### Meet App | Personal Project

CareerFoundry | March 2023

- Progressive web application built with React, implementing test-driven development (TDD) and behavior-driven development (BDD) approaches.
- Conducted unit and integration testing (Jest), acceptance testing (Cucumber), and end-to-end testing (Puppeteer).
- Integrated serverless functions (AWS Lambda) for user authentication and authorization using OAuth.
- Displays events from a Google Calendar with responsive design, cross-platform compatibility, offline availability, and the ability to be added to the home screen.

Portuguese, English, German

## GERMAN COURSES

**German for Work** | Anglo-German Institute  
Apr. 2022 - Aug. 2022

- A vocational language course that prioritized the acquisition of German language skills specifically tailored to the workplace, aiming to equip migrants and refugees with the necessary language competencies for integration into the German market.
- B2 level of the Common European Framework of Reference for Languages (CEFR).

### German Integration Course

Deutsche Angestellten-Akademie  
Dec. 2019 - Oct. 2021

- A comprehensive language course (A1 - B1 Level) and orientation course, about the German legal system, history, and culture.
- Concluded with the "German language test for immigrants" (DTZ) and "Life in Germany" test.

## PROFESSIONAL INTERESTS

- Continuous learning in new front-end technologies and frameworks.
- Interest in usability and user experience (UX/UI).
- Exploring and implementing best practices in web development.
- Collaboration in cross-functional teams to achieve high-quality results.
- Staying updated on trends and innovations in the frontend field.
- Engaging with developer communities and groups to share knowledge and expand professional network.
- Passion for creating engaging, interactive, and high-quality user interfaces.

## EMPLOYMENT HISTORY

**Household Help** | Private German Family  
Stuttgart, Germany | Feb. 2020 - Feb. 2022

Adapted to a new cultural environment, efficiently performed household chores, and improved German language skills while maintaining high cleanliness standards, resulting in customer satisfaction and enhanced time management, multitasking, and attention to detail skills.

**Office Assistant** | Feevale University  
Novo Hamburgo - Brazil | May 2015 - April 2018

Supported students and professors in managing the university's printing system, resolved technical issues, and improved efficiency by implementing process improvements, resulting in enhanced problem-solving and communication skills, deep understanding of the printing system, and improved collaboration with colleagues.

**Art Teacher Intern** | City of Campo Bom  
Campo Bom - Brazil | Aug. 2013 - May 2015

Created engaging lesson plans and activities to support the development of children aged zero to six years old, incorporating artistic expertise to enhance fine motor skills and creativity, resulting in overall educational and developmental growth. Demonstrated effective communication and interpersonal skills, receiving positive feedback from students, parents, and colleagues.
